This takes you to the network home page

The screenshot shows a web browser window displaying the homepage of the Greater Manchester Neuro-Rehabilitation Operational Delivery Network. The browser's address bar shows the URL www.gmnrodn.org.uk. The page features a navigation menu with links for [About](#), [News](#), [Our Work](#), [Events](#), [Resources](#), and [Contact](#). The NHS logo is prominently displayed, along with the text "Greater Manchester Neuro-Rehabilitation Operational Delivery Network". The main heading reads "Welcome to the Neuro Rehabilitation Operational Delivery Network". Below this, there are two columns of text: "Who we are" and "What we do". The "Who we are" section describes the network as a collaborative partnership established in 2015, supported by a core team including a Clinical Lead, Manager, Facilitator, and Administrator, overseen by a Board chaired by Dr Chris Brookes. The "What we do" section states that the network delivers a whole-system neuro-rehabilitation service across Greater Manchester, aiming to improve patient care, experience, and outcomes.

Greater Manchester Neuro-Rehabilitation
Operational Delivery Network

Welcome to the Neuro Rehabilitation Operational Delivery Network

Who we are

Established in 2015, we are a collaborative partnership of NHS providers of neuro-rehabilitation services in the Greater Manchester region. We work closely with clinicians, patients & families, commissioners and other stakeholders to improve services.

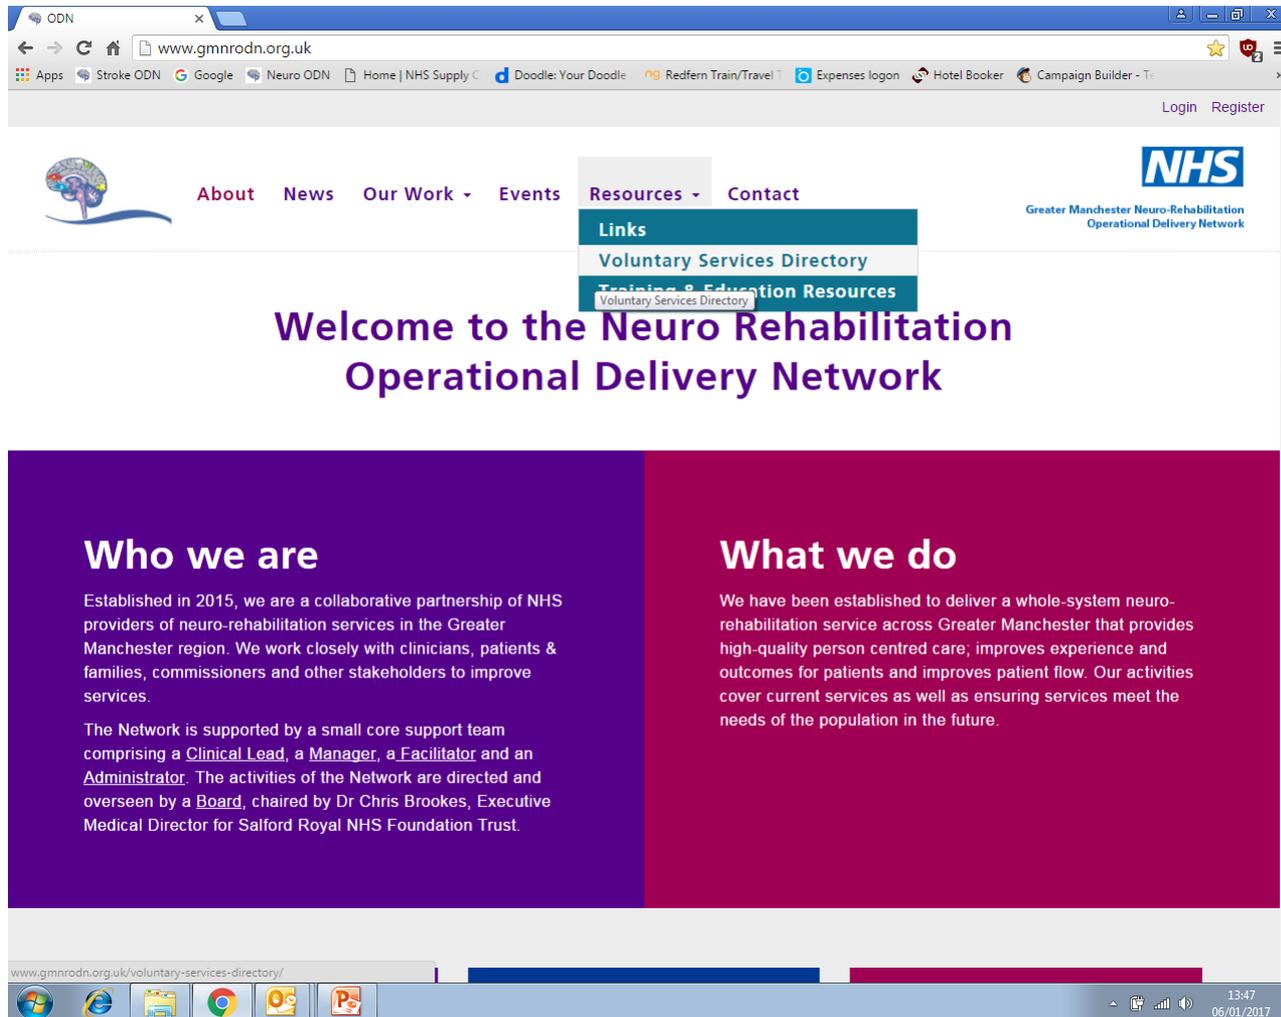

The Network is supported by a small core support team comprising a [Clinical Lead](#), a [Manager](#), a [Facilitator](#) and an [Administrator](#). The activities of the Network are directed and overseen by a [Board](#), chaired by Dr Chris Brookes, Executive Medical Director for Salford Royal NHS Foundation Trust.

What we do

We have been established to deliver a whole-system neuro-rehabilitation service across Greater Manchester that provides high-quality person centred care; improves experience and outcomes for patients and improves patient flow. Our activities cover current services as well as ensuring services meet the needs of the population in the future.

Click on the “Resources” button and select “Voluntary Services Directory” from the drop down menu

The screenshot shows a web browser window with the URL www.gmnrodn.org.uk. The page features a navigation menu with the following items: About, News, Our Work, Events, Resources, and Contact. The 'Resources' menu is expanded, showing a list of options: Links, Voluntary Services Directory, Training & Education Resources, and Voluntary Services Directory. The main content area displays the heading 'Welcome to the Neuro Rehabilitation Operational Delivery Network' in purple text. Below this, there are two columns of text: 'Who we are' and 'What we do'. The 'Who we are' column is on a purple background, and the 'What we do' column is on a red background. The browser's taskbar at the bottom shows the time as 13:47 on 06/01/2017.

About News Our Work Events Resources Contact

Voluntary Services Directory

The Voluntary Services Directory provides information about services available in the Greater Manchester Area. These services are generally provided by the voluntary sector or local authorities and augment, complement or follow on from care provided by the NHS. Availability of services may vary in different areas and some services may be applicable to certain conditions or be relevant for all.

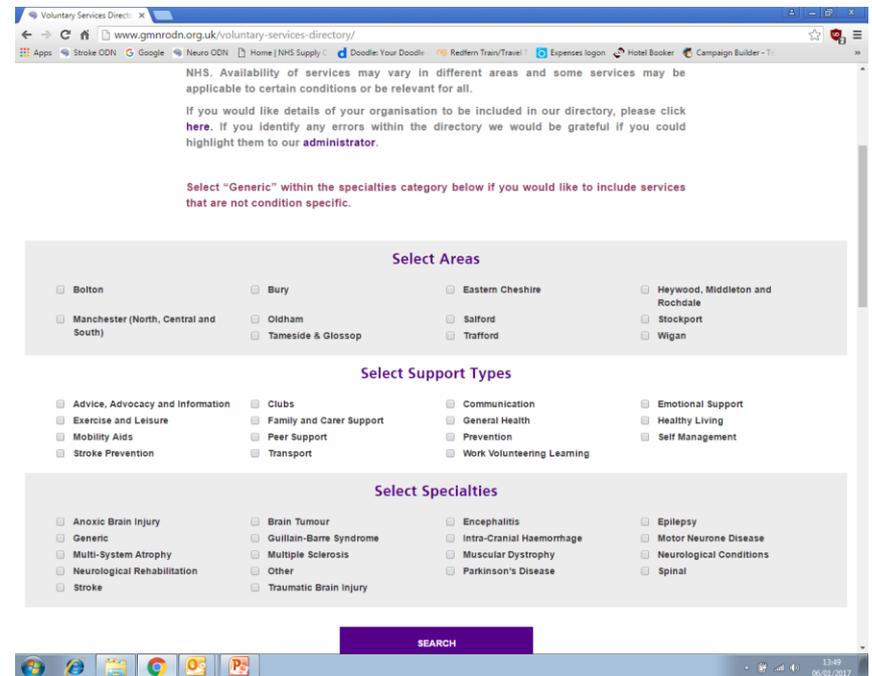

If you would like details of your organisation to be included in our directory, please click [here](#). If you identify any errors within the directory we would be grateful if you could highlight them to our [administrator](#).

Select "Generic" within the specialties category below if you would like to include services that are not condition specific.

Select Areas

- Bolton
- Bury
- Eastern Cheshire
- Heywood, Middleton and Rochdale
- Manchester (North, Central and South)
- Oldham
- Salford
- Stockport
- Tameside & Glossop
- Trafford
- Wigan

Select Support Types
