

Greater Manchester
Neurorehabilitation & Integrated
Stroke Delivery Network

Join our new Neurorehabilitation Patient and Carer's Group

The network works with **people and groups** involved with **neurorehabilitation care** to help make services **better**

We want to:

	Improve the outcomes for people living with a neurological condition
	Help people get access to the right services at the right time
	Make sure people have the same high standards of care wherever they live in our region

We need to hear **the views of people** who use **neurorehabilitation services** to help **influence** how they are provided locally

We are setting up a new **Patient and Carer Group**

We are seeking people **affected by neurological conditions** to join as **members**

To be a **member** you need to:

	<p>Have a neurological condition other than stroke</p> <p>OR</p> <p>Have experience of caring for someone with a neurological condition other than stroke</p>
	<p>Live in Greater Manchester</p>
	<p>Be willing to share your experiences with others to help improve neurorehabilitation services</p>

We need people with **different life experiences** such as **age**, gender, **ethnicity**, type of **neurological condition** etc

The new group will be **chaired** by **Mike Carpenter**

Mike has lived with **Multiple Sclerosis** for over **10 years**

The **group** will:

	Have about 12 members
	Meet face to face around 4 times a year
	Meet during the day for 2-3 hours
	Meet at a venue in Greater Manchester convenient for all members
	Be conducted in a way that is accessible so everyone can have their say

We will help **arrange** and **pay for transport** to get to meetings

At the group, you will **discuss** your **experiences** and share your **opinions**

But you will **not** get access to extra neurorehabilitation **treatment, therapy or support**

The deadline for applications to join the group is 30th September 2022
