

UKABIF NORTH WEST EVENT

INVISIBLE SCARS: UNDERSTANDING ACQUIRED BRAIN INJURY IN THE CONTEXT OF DOMESTIC ABUSE

Thursday 26 March 2026, 13:00 - 16:00
Eccles Town Hall, Manchester

Bringing together professionals, advocates, and individuals with lived experience to explore new and effective ways to support people affected by brain injury across the UK. The session will deliver education, insight, and practical tools to help raise awareness and share knowledge across communities and services with a particular focus on domestic violence, strangulation and brain injury.

Guest Speakers Include

Dr. Annmarie Burns
Consultant Clinical Neuropsychologist,
Brainkind and London Foundation NHS
Trust

Professor Catherine White
Medical Director, Institute for
Addressing Strangulation

Dr Czarina Kirk FRCPsych
Consultant Neuropsychiatrist,
The Forensic Brain Injury Services, Guild Lodge
